ABOUT ME

I am a Computer Science graduate with strong hands-on experience in Application development and web development.

I have developed a range of projects that showcase my ability to solve complex technical challenges and create impactful solutions.

My passion for technology drives me to continually explore new advancements, and I am eager to further deepen my knowledge through advanced studies in these areas.

EDUCATION AND TRAINING

Bs Computer Science

University Of Malakand [04/09/2020 – 18/09/2024]

City: Chakdra Lower Dir | **Country:** Pakistan | **Field(s) of study:** Computer Science | **Level in EQF:** EQF level 7

Intermediate

Allama Iqbal Public High School And College Mayar Jandool [17/08/2018 – 15/08/2020]

City: Mayar jandool | **Country:** Pakistan | **Field(s) of study:** pre-Medical | **Level in EQF:** EQF level 6

Matriculation

Oxford Public High School [15/08/2016 – 05/07/2018]

City: Mayar jandool | **Country:** Pakistan | **Field(s) of study:** Science | **Level in EQF:** EQF level 7

WORK EXPERIENCE

TedRed Software House – Mayar Jandool, Pakistan

City: Mayar Jandool | **Country:** Pakistan

Web developer

[05/09/2024 – Current]

- Leverage front-end frameworks like React.js for building interactive user interfaces and managing state efficiently.
- Continuously improve the user interface through feedback, usability testing, and accessibility considerations.

- Developed and maintained responsive websites for various clients, improving user experience and increasing site traffic by an average of 30%
- Collaborated with clients to understand their needs and provide tailored solutions in HTML, CSS, JavaScript, and React.

TedRed Software House – Mayar Jandool, Pakistan

City: Mayar Jandool | **Country:** Pakistan

Application Developer

[05/09/2024 – Current]

- Over 1 year of hands-on experience in developing cross-platform mobile applications for both Android and iOS using React Native and Expo.
- Skilled in building responsive and user-friendly UIs with Tailwind CSS and modern React Native UI libraries such as React Native Paper, NativeWind, React Navigation, Reanimated, and React Native Elements.
- Experienced in component-based architecture, state management using Context API and Redux, and API integration (REST APIs).
- Strong understanding of mobile app performance optimization, debugging, and deployment processes.
- Continuously improving and updating applications to ensure high performance and user satisfaction.

City: Mayar Jandool | **Country:** Pakistan

Backend developer

[05/12/2024 – Current]

- Proficient in Node.js and Express.js for building scalable and efficient backend applications.
- Experienced in working with RESTful APIs, including both API development and integration with frontend applications.
- Basic understanding of Webhooks and WebSockets for real-time data communication.
- Familiar with MCP (Model-Controller-Process) architecture and backend workflow management.
- Skilled in connecting backend services with React Native and web-based applications to ensure smooth data exchange and performance.
- Experienced in using Ngrok for creating secure tunnels and testing APIs or backend services during development. Dedicated to continuous learning, improving app performance, and delivering seamless user experiences across platforms.

SKILLS

Frontend developer / Backend developer / Application developer / Web developer

PROJECTS

AI-Based Career Counseling System For Students AI-Based Career Counseling System provides personalized guidance for students, helping them.

CERTIFICATIONS

[10Pearls University]

Complete Online Bootcamp

- Git Fundamental Course
- Programming Fundamental
- HTML, CSS, JavaScript Web development

Mode of learning: Online

HOBBIES AND INTERESTS

Learning & Tech

- Exploring new technologies and programming tools
- Building mobile and web applications
- Learning about AI and modern software trends
- Participating in online coding challenges and hackathons
- Watching tech tutorials and improving development skills
- Designing creative user interfaces
- Reading articles about innovation and technology

LANGUAGE SKILLS

Mother tongue(s): Pashto

Other language(s):

English

LISTENING C2 READING C2 WRITING C2

SPOKEN PRODUCTION C1

SPOKEN INTERACTION C1

Urdu

LISTENING C2 READING C2 WRITING C2

SPOKEN PRODUCTION C2

SPOKEN INTERACTION C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user
